FLYING MATLAI

Sparkling Wine, Aperol, Passion Juice, Lemon Juice, Soda, Passion Fruit

Zanzibar is a very cosmopolitan island with many expatriates from all over the world. We decided to mix the world with Tanzania. The sparkling wine has its origins in France and the Aperol from Italy. We added the Tanzanian touch with passion fruit and lemon juice.

ALOE COCKTAIL

Fresh Aloe Vera, Honey, Whisky, Orange, Lime

We started to grow Aloe vera in our garden for the treatment of sunburns, but found out it could also be used for a delicious cocktail!

Aloe vera is health beneficial because it has medicinal properties such as antioxidants and it's antibacterial. Both of these properties accelerate wound healing, reduce dental plaque, and help treat canker sores.

Now this cocktail won't save you a trip to the doctor but it will turn any bad day into a good one!

PILI-CHILI COCKTAIL

Tequila infused Chili, Cointreau, Lime, Sugar Syrup, Watermelon

Pili chili peppers grow on the more dry and rocky terrain of the island. Here, the upheaved coral creates a honeycomb surface that favors the accumulation of rich soil in the crevices. The pods are picked when ripe, sundried, and then packed in mat bags made of the split frond of the Hyphaene palm tree for shipment. This is an industry that has sprung up within the last 30 years. This red cocktail captures the unique chili's flavor and finishes with a spicy kick.

DATILLA MATLAI

Rum infused Dates & Vanilla, Pineapple, Orange

Vanilla is a typical spice which grows here, on our island. Dates are common sweets for Zanzibari people. This is specifically demonstrated during Ramadan and eaten for "Iftar", meaning breaking fast after sunset.

In our cocktail, it is infused into our Rum. During the infusion process, the dates and vanilla release their essence into the alcohol. Combined with the citrus juices, our cocktail has a blend of these flavors that is sure to please the palate.

OYOYO HIBISCUS

Vodka infused Hibiscus Flower, Tia Maria, Banana, Lime, Sugar Syrup
Hibiscus is a tropical flower. You can find it in our hotel garden and it is identified by its amazing blossoms! Historically, hibiscus tea has been used in African countries to decrease body temperature, treat heart disease, and soothe a sore throat. In Iran, hibiscus tea is used to treat high blood pressure. This cocktail, along with our wonderful beachside view, is sure to relax one's mind and body.

BATIDA MATLAI

Cachaca, Malibu, Coconut Ice Cubes, Mango & Passion Juice

While visiting this paradise island of Zanzibar, don't forget to breathe in the sweet scent of the exotic fruits: mango, coconut, and passion fruit. Your nostrils will be suffocated by the sweet, tropical scent and your taste buds will be satisfied by this delicious Batida Matlai cocktail that is served in a beautiful coconut!

PHO COCKTAIL

Gin, Triple Sec, Pho Sugar Syrup, Cardamon Pods, Cinnamon Stick, Star Anise, Fish Soup

It's not uncommon for food to cross over into the drink scene or for cocktails to draw inspiration from the kitchen. One such example is this Pho Cocktail. Pho is a popular Vietnamese noodle soup. This drink seeks to recreate its flavors. We combine the usual Pho spices (star anise, cardamom, cinnamon) and mix them with Gin, Triple sec and freshly squeezed lime juice. There's no broth or meat in this drink. What could be better than having a spice-based cocktail on the spice island of Zanzibar?

DAFU MOCKTAIL 15.000 TZS

Coconut, Mango, Passion, Sugar Syrup, Cinnamon Powder

Do you like the sweet smell of exotic fruits? With the Dafu cocktail, your taste buds will be delighted by these sweet and juicy flavors! Dafu means "young coconut" in Swahili. You will surely taste that in this drink. Coconut and cinnamon are locally grown in Zanzibar and are the mainstay of the economy. These two ingredients together, freshly blended with other tropical fruits, perfectly reflect the flavors of the Island.

RUM MENU & TASTING NOTES

Welcome to our rum menu! We offer a diverse selection of premium rums from around the world, each with its unique flavor profile and tasting notes. Sit back, relax, and let the journey of discovery begin.

Santa Teresa 1796

2cl - 20.000 TZS

Nose: Fruity aroma with notes of wood

Palate: Unique taste of nuts, leather, vanilla, cinnamon, dark chocolate, prunes, hints of honey and pepper

Aging Method & Information: The traditional Solera method ensures every bottle of Santa Teresa 1796 has some of the very first Ron Madre running through it. That's because, since they first filled them in 1992, the Solera casks have never emptied. Instead, each time a bottle is drawn, the Solera is topped up with a slightly younger rum blend, guaranteeing that every bottle has exceptional richness and a little bit of the Mother Rum.

The rich and powerful Santa Teresa 1796 Rum has won many international awards over the years. In 2000 and 2001 the Rum won the gold medal at the Rum Festival Caribbean Week respectively.

ORIGIN: Hacienda Santa Teresa, Venezuela

Ron Zacapa Sistema 23 Solera Gran Reserva

2cl - 22.000 TZS

Nose: Apricots, citrus fruits, vanilla, cocoa and bourbon; rich and full-bodied with spicy chocolate flavors and a pleasing tannic bite

Palate: Wonderfully complex, generous and full-bodied, with a sweet honeyed viscosity atypical of an aged spirit; a great depth of raisined fruit and apricot preserves, building to an intense heart of savoury oak, nutmeg, leather and tobacco with notes of coffee and delicately sweet vanilla.

Zacapa Rum is regarded as one of the finest in the world.

Aging Method & Information: Aged and blended in the 'House Above the Clouds', 2300m above sea level, the cool mountain air slows aging, allowing Zacapa time to rest and develop character. Zacapa uses a unique Sistema Solera process, based on a centuries-old Spanish way of aging sherries, to blend rums of different ages in a sequence of barrels which previously held American whiskies, sweet sherries and fine Pedro Ximenez wines. Refined by craftsmanship and devotion, the whole process is artfully overseen by Master Blender Lorena Vasquez. The tropical climate and volcanic soil yield high grade sugar cane and, unlike most rums that use molasses, Zacapa is created from the concentrated first press of sugar cane or 'virgin sugar cane honey', which contributes to its award-winning taste.

Ron Zacapa Sistema 23 Solera Gran Reserva won the Platinum Award at the Barbados Rum Festival in 2002 - Best rum in the world in 2002 - Best rum in the world in 2001 - Best rum in the world in 2000 - Best rum in the world in 1999 Tasting.

ORIGIN: City of Zacapa, Guatemala

RUM MENU & TASTING NOTES

Eminente Ron De Cuba

2cl - 26.000 TZS

Nose: Coffee, dulce de leche, toasted almond and cocoa

Palate: Vanilla, cane sugar, sichuan pepper and prune

Aging Method & Information: 7 years minimum in white oak barrels.

Eminente embodies the rebirth of XIXth century Cuban rum, elaborated by César Martí the youngest Maestro Ronero (Rum Master) of the island. Eminente Reserva has the aesthetics of a traditional Cuban light rum with the complexity and depth of a very old one.

Eminente is a brand created in 2020, as part of a collaboration between the Moët Hennessy group (LVMH) and the Cuban government. It is the Cuba Ron entity that supplies the aguardientes and light rums needed for the blending. This is carried out by the maestro ronero (master rum distiller) Cesar Marti, and includes a particularly high proportion of aguardientes. Eminente sets new standards with Reserva made with 70% of aged aguardientes (In comparison, most Cuban rums contain only 10%), the highest proportions among all Cuban Rums. They are complemented by light rums that add vivacity. The Rum is described as a new beginning of the Cuban Rum.

The Cuban beverage triumphed at the China Wine & Spirits Awards, which has been acknowledged as the largest and most prestigious wine and spirits competition in China.

ORIGIN: Central province of Villa Clara, Cuba

Phraya Deep Matured Gold Rum

2cl - 26.000 TZS

Nose: Rich vanilla, honey and coconut, layered with gentle spiciness of cloves and raisins

Palate: Smooth, creamy, crème brûlée and butterscotch, with an underlying fruitiness of fresh pineapple and citrus.

Aging Method & Information: Made with Thai sugar cane and aged between seven and 12 years. Aged in Oak barrels that are stored in four-meter-deep warehouses located next to lagoons. The Coolness of the lagoons' environment effectively slows down the aging process, allowing the rums to nurture and develop its distinctive depth. A luxury rum from Asia, using only carefully selected rums of the highest quality. The style of this rum is as rich as the history and culture of its country of origin.

Phraya Deep Matured Gold Rum won at the World Rum Awards 2017 & Double gold at San Francisco World Spirits Competition 2013.

ORIGIN: Sangsom Distillery, Thailand
